Applicants that are interested in joining one of the following Departments of the Agricultural University of Athens in Greece:

- Department of Crop Science
- Department of Animal Science & Aquaculture
- Department of Food Science & Technology
- Department of Science
- Department of Agricultural Economics & Rural Development
- Department of Natural Resources Management & Agricultural Engineering

must submit to the European Programmes Office by regular post the following documents:

- Application Form plus 3 passport-size photos
- Learning Agreement
- Transcript of Records (officially translated in English)
- Erasmus Nomination Letter by the Home University
- Proof of Health Insurance (European Health Insurance Card or other private scheme)
- Official proof of knowledge of the English language. Note that a minimum of level B2 of the Common European Framework of Languages is absolutely necessary.

For more information see:

Each Department offers a certain number of courses in English for incoming Erasmus students. The list of the courses per Department is available at our website http://www.aua.gr/index.php?sec=content&item=44.

Apart from attending courses, incoming Erasmus Students have the opportunity to carry out part of their thesis or do their internship at one of the Departmental Laboratories. Students should retrieve information from the Departmental websites at http://www.aua.gr/index.php in order to choose one or more laboratories of their interest close to their scientific field of study and let us know. Afterwards, our Office shall contact the responsible Staff Member of the Laboratory to check whether they can be accepted.

Greek (beginner’s level) and English (intermediate level) language courses are offered for free from the Foreign Language Centre, equal to 2 and 3 ECTS credits respectively.

Deadlines for application submission are:

- June 15th (for autumn semester)
- November 15th (for spring semester)

The Application Form and the Learning Agreement can be downloaded at http://www.aua.gr/index.php?sec=content&item=44, while more information could be retrieved from the Departmental websites.
