We request that all nominations of incoming students are submitted on-line by the international coordinator. Therefore applications from your students to the University of Iceland can only be considered if you nominate them using the following website: http://www.hi.is/en/nomination. You will be asked to enter name, email, field of study and term of study for each of your students. We will review the nominations and e-mail these students with detailed application instructions and a copy to you.

The application deadline for the fall semester 2011 and a full academic year 2011-2012 is 1 May; please nominate your students before 15 April.

The application deadline for the spring semester 2012 is 1 October; please nominate your students before 15 September.
